## Foreword

In 1974 editors of the Falcon, display the trials and tributes of a body of people interested in one thing; Education. Bound together in a small but complete family, the 1974 Falcons, have seen the political strands of Watergate, and the existence of an energy crisis, all of which are no shock for a certain people.

The students of the "Aug" have long transferred their thoughts of a better living into this world of the living, better with people rather than better people. We realize that there is only one kind of people . . . a people of Beauty, within and without. Brimming with eternal thoughts of life, to express, to love, to have knowledge of ourselves and our essence of being. In this book we display before you, the fruits of our Expressions!

— The Editor and Staff

POWER is the PRESENT MEANS TO OBTAIN SOME  
FUTURE APPARENT GOOD. BUT POWER IS NOT OFTEN  
A POSSESSION, A KIND OF SUBSTANCE, WHICH SOMEBODY  
HAS, AND CAN USE AGAINST SOMEBODY ELSE.  
IT IS A GIVE AND TAKE THAT RESTS  
UPON A RELATION BETWEEN TWO OR MORE PEOPLE,  
AND IS PROPERLY DESCRIBED AS A RELATIONSHIP,  
RATHER THAN A POSSESSION. "9174"

## Dedication

Mrs. Pauline Moore

To a lady of distinction, quality, and immovable dedication, we the senior class dedicate this book to you, with love and appreciation.

This lady may be little known to faculty members, but she is loved by as many students as a school called Saint Augustine's College, can hold.

She is a dedicated worker and has gained respect from all students.

# APPRECIATION

# Dr. and Mrs. Prezell Robinson

To Dr. Prezell Robinson, our beloved President. A man of greatness, versatility, humility and affection, is our "Prexy". In appreciation and gratitude, we the 1974 Falcon staff salute you. You have not only been our President; but our leader, our teacher and a dear friend. Your loving family makes us proud to be a part of the Saint Augustine's family.

"Prexy" displays his versatility, as he does his part for the Energy Crisis.

History - Phi Beta Sigma Fraternity Inc. was founded on the campus of Howard University on January 9, 1914. Beta XI Chapter was organized at St. Aug. College in 1944.

The motto of the fraternity is "Culture for Service and Service to Humanity." for the men of Sigma this is more than a motto, it's a personal mode of living, in that all activities are undertaken with the rendering of service.

## Zeta Phi Beta

LEFT TO RIGHT (TOP): Charlotte Clark, Vincent Richardson,  
2nd ROW: Nellie Curtis, Elanche Wise, and Johnetta Hardy,  
KNEELING: Pamela Ramsey, Annetta Reid.

Zeta Phi Beta was founded on the campus of Howard University in 1920. As a link in the great international chain, that is striving to make meaningful its ideals of Service, Scholarship, and Sisterhood. Through all its endeavors, the chapter has been guided by its motto "Fine Womanhood." We would hope that our chapter accepts the challenge in becoming a cognizant of their responsibility to continue seeking a deeper meaning in God; a feeling for one's fellow man and strive for knowledge; not blindness, apathy or prejudice but the freedom to be creative.

## Alpha Kappa Alpha

LEFT TO RIGHT: Gwendolyn Jefferson, Rosemary Mitchell, Maressa Allen, Perth Palmer, Barbara Massey, Marie Jenkins, Annie Irving, Vanessa McDougald, Yvonne Rodgers, Sandra Middleton, and Friscilla Smith.

Gamma Xi Chapter of Alpha Kappa Sorority, Inc. was founded on March 26, 1949 here at Saint Augustines College. As in previous years the members have carried on traditional projects. Alpha Kappa Alpha women hold as their guiding light the motto: Advancement Through Knowledge and Achievements.

# Alpha Phi Alpha

LEFT TO RIGHT: Malachi Gilson, Willie Henley, Marvin Polk, Jeremiah Scott, Parker Allen, Dwight Finnell, Lee Wiggins, and Garland Bahle.

Alpha Phi Alpha, the first black fraternity was founded on the campus of Cornell University, Ithica, New York, on Dec. 4, 1906.

The ideals and principles upon which this fraternity was founded influenced many great men to join. Besides brotherhood, Alpha Phi Alpha is based on knowledge and achievement.

## Gamma Sigma Sigma

(LEFT TO RIGHT): Marsha Potter, Deborah Harville, Jackie Jones, Glenda Robinson, Carolyn Alexander, Amberina Burgess, Delores Manning, and Odessa Harris.

The Constitutional Convention of Gamma Sigma Sigma Sorority was held at the Beekman Tower in New York City on October 12, 1952. For three days girls at the convention devoted their time devising a national constitution acceptable to all. It was hard work, but those present at the meeting were determined to produce a constitution worthy of the principles of the group.

The purpose of this sorority shall be assemble college and university women in the spirit of service to humanity. It shall serve to develop friendship among women of all races and creeds through work side by side and through the fulfillment of those goals common to all. The sisters here at the "Aug" strive to put their motto, "Unity in Service", into every day life.

# Alpha Phi Omega

Alpha Phi Omega is an inter-racial national service fraternity for college and university men founded in 1925 at Lafayette College in Easton, Penn. Now Alpha Phi Omega is active on more than 500 campuses in the United States and its territories.

The major objectives of Alpha Phi Omega is service: service to the fraternity, campus, community, and the nation. Our fraternity serves its brotherhood in a pragmatic role of social responsibility.

The ideals and goals of this organization are a challenge to any individual. One is challenged to be a leader and to promote a brotherhood of which he can be proud. One is challenged to serve and serve with honor. Last but not least one is challenged to be a true friend.

Beauty is not a need, an ecstasy. It is not a mouth that sings, nor an empty hand stretched forth, but rather a heart enflamed and a soul enchanted.

It is not the image you would see, nor the song you would hear, but rather an image you see, though you close your eyes, it is a song you may hear though you close your ears, it is not the shadow you feel, but rather a wing attached to your heart, it is not for ever, but for ever in the heart of the soul, it is in the heart of the soul.

**ADVISOR TO  
YEARBOOK  
AND  
PEN-STAFF...**

During my stay here at the Aug., I've worked hard as a student, I've suffered close defeats in a ball game, I've given my heart to a chosen fraternal organization, I've met many friends and lesser enemies. I've seen a smile turned to a frown, and later to a tear. I've had my eyes open to politics and the almighty dollar. I've sat up all night for mere fun, but I also burned midnight oil for those hard exams. I've even learned to be more of a man, than I was and wanted to be. But most of all I've experienced more love, taught to me by none other than dear old Mom.

Falcon Editor

Larry E. Hardy

The years, here at the "Aug", have given to me more than theoretical knowledge gained from the mere pages of books. It has given me a chance to reach out for the unreachable star, challenge the unbeatable foe and master my own mind.

In farewell, I would like to say, "thank-you" to all my friends, faculty members and instructors for helping me carry out my initial goal . . . college education.

MEMORIAM

Memorial

Beyond the horizons of life,

Travels my soul

Eternally in the ebbs of time,

Resting from the burdens of my past life,

Peacefully I soar with the gods,

Chatting of the days done spent.

I lift up my eyes to the Eternal One

From whence I am shaped and made

Regretting not, of mortal rapture,

But rejoicing in the blissful

Nostalgia of Eternal.

I might take my place among

the stars.

And dance throughout on the ebbs of time.
